Subject: Request for information on the Belgian Adult Education System

To: <ucc-deputy-director-secondary-cycle@eursc.eu>

Dear Ms Makarska,

My name is Teresa Puja, I am a teacher of Italian as a second language. I work at a school dedicated to adult education, called CPIA (Provincial Centre for Adult Education). I am writing to you as a delegate of the Headmaster Giancarlo Caroleo to request information about the Belgian education system. In particular, we are interested in understanding whether there are specific programs dedicated to adult education and, if available, we would also appreciate the opportunity to review the school curriculum.

If you agree, we would be pleased to arrange a meeting via Google Meet to discuss this and find out more.

Thank you in advance for your time and attention. I look forward to your response.

Yours sincerely,

Teresa Puja
